BACK 2	*** OPEN PLAY ***						
FRONT 3	*** OPEN PLAY ***						

Non-Team Resident Play

All team captains with three (3) practice courts should be considerate if a non-team resident is in need of a court and give one of his/her courts to that non-team resident if no courts are available elsewhere. Team captains will be notified of this policy at the beginning of each season. Every effort will be made to accommodate non-team member residents.
